RECEIVED

Response to Office Action

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action issued by Examiner Ulm on October 15, 2002,

Applicants request reconsideration of the above-referenced patent application in view of the

03/05/2003 D following amendments and remarks. Due to the weather condition, USPTO was closed on

01 FC:1251 February 18, 2003. Thus, the present response is extended to February 19, 2003. **Please charge the Petition for one-month Extension of time to Deposit Account 50-0970.**

Please amend the application as follows:

In the Specification:

Please replace the last paragraph at the bottom of page 1 (which wraps around to the top of page 2) with the following paragraph ("Paragraph 1"):

C1 Transporters are generally classified by structure and the type of mode of action. In addition, transporters are sometimes classified by the molecule type that is transported, for example, sugar transporters, chlorine channels, potassium channels, etc. There may be many
